

Serial No. 10/765,257

Atty Dkt No. 706599US2

REMARKS:

On August 23, 2006, Applicant filed a Response to Final Office Action which was not entered as indicated in the Advisory Action mailed on August 29, 2006. In the Advisory Action, the Examiner indicated that Applicant's Response to Final Office Action was not entered because the "...amendments to clms 10-13 raise new issues that require further search and consideration, in particular amended clm 10...now includes the limitations of cancelled clm 9 (remarks page 4 paragraph 3)." Applicant wishes to clarify in these Supplemental Remarks that the above statement in paragraph 3 of the aforementioned response, namely "Claim 10 has been amended to include the limitations of cancelled claim 9." was made in error as Claim 10 was not amended to include the limitations of cancelled claim 9.

Applicant respectfully requests that these Supplemental Remarks be considered with the Response to Final Office Action filed on August 23, 2006 in connection with the Request for Continued Examination.

Favorable consideration is respectfully requested.

Respectfully submitted,

By:
